

SERVICES

CONSTRUCTION

Ensure Your Construction Project Ends Up Looking its Best.

Completing a construction or renovation project is difficult enough without having to deal with the post-project cleanup.

To eliminate the entire cleanup mess, construction companies and facility managers turn to KemTex. From wall to wall ... ceiling to floor - KemTex construction cleanup crews will ensure your project shines.

Trusted, Reliable, Construction Clean-up Services ... You Can Count On.

There are many obstacles on the road to completing a quality construction project. That's why you should entrust your post-project cleanup and reputation to KemTex — a company with over 29 years of specialty cleaning experience.

We'll work with you to define the optimal cleaning strategy and make sure you have professionals on-site day or night, 7 days a week, that are capable of handling even the most difficult tasks. From drapery, upholstery, and carpet cleaning experts; to floor care specialists – KemTex will ensure you have the resources you need to get the job done right.

KemTex Construction Cleanup Services are Available for a Variety of Special Projects, Including but not Limited to:

- New construction
- Renovation
- Turnkey make-ready

Ongoing Cleaning and Maintenance Services.

After the construction cleanup project is complete, our job is not done. We will also work with you to design a scheduled cleaning maintenance program that will meet your specific needs. This will allow you to protect your investment and maintain the cleanliness and appearance of valuable assets throughout your facility.

KemTex Construction Cleanup Services Include:

- Clean all surfaces including walls, doors, railings, and baseboards.
- High dust removal from vents, light fixtures, sprinkler heads, ceiling fixtures, etc.
- Stain removal, scrubbing, dusting, and vacuuming of all surfaces including trimwork and office furniture.
- Clean the inside of cubicle furniture, desks, and file cabinets.
- Clean and sanitize restrooms.
- Floor care: buffing, stripping, and waxing.
- Scrub & clean tile and grout.
- Clean & seal stone and concrete floors.
- Clean & polish stainless steel, metal trim, and equipment.
- Clean windowsills and window coverings (draperies, blinds, and shades).
- Retrofit window coverings and hardware.
- Clean windows and glass.
