**In Business, First Impressions Mean Everything.  
That's Why Corporations Turn to KemTex.**

If you're responsible for maintaining the highest quality work environment, you need a partner that can provide you with integrated specialty cleaning solutions. You need KemTex - the leading provider of specialty cleaning, repair, and product replacement solutions for commercial buildings. From drapery and upholstery cleaning, to floor care, even window covering repairs and replacements, KemTex has the products and services you need ... when you need them.

## The Leader in Specialty Cleaning Solutions.

With more than 29 years experience, we know what it takes to provide facility management and maintenance professionals with the integrated specialty cleaning solutions they need to preserve the highest quality business environment. Our cleaning solutions enable organizations to deliver a superior customer experience; extend the useful life of their assets; and provide employees with a superior work environment.

## Integrated Cleaning, Repair and Product Replacement Services.

With KemTex your draperies and top-treatments will look their best, floors will shine and your upholstery will last longer. But make no mistake about it, we offer more than just high quality cleaning services. We also provide you with furniture reupholstering and refinishing services; scotchguarding and flame retardant treatments; and we repair window coverings. In addition, when products eventually suffer from daily wear and tear, we will replace them with the quality products we manufacture and market. That's the KemTex advantage. From specialty cleaning, to product repair and replacement – we do it all.

## Highly Responsive and 100% Committed to Customer Satisfaction.

Since 1977, KemTex has been known for providing the best turn-around times in the industry. In most cases, same day service is available. In addition to our record response time, the quality of our services can't be beat. Our team of installation, cleaning and floor technicians (that carry an average of eight years experience) will ensure that you are 100% satisfied with our products and services.
